THINKING OUTSIDE THE LONG BOX

Thinking Outside The Longbox is a progressive nerd forward pop-culture podcast with over 230 episodes and thousands of daily downloads whose main demographic is 18-45 year old people.

We love featuring artists from all genres of pop-culture and entertainment. Our main focus is podcasting audio and video Interviews with top and upcoming talents from stage and screen, comic-book artists, writers, and discussing the pop-culture topics of the day.

TOTLB is the flagship show for Barren Space Productions. Our sister podcasts focus on many different topics like Star Trek, Quantum Leap, Classic Hollywood movies, Novels and Television.
